

**OFFSET INK DIVISION
PRODUCT RANGE**

SHEETFED INKS

A) Process Colours

Popular Range

ECOPURE SOY HP POPULAR
ECOPURE SOY HP- SUMO

Economical Series -For Coated / Uncoated, Maplitho, Chromo art, Duplex etc.
Excellent Ink having high strength for Chromo Art, Uncoated, Duplex & Art paper.

High Strength & Fast Setting Range delivering higher Productivity

ECOPURE SOY HP- HD
ECOPURE SOY HP- HD PLUS
ECOPURE SOY HP- RR

High Depth series.
High Depth with superior setting.
Offers Excellent Rub Resistance for high end applications

Excellent Gloss Range

ECOPURE SOY HP- V
ECOPURE SOY HP- GLOSS
ECOPURE SOY HP- IVX

Gloss application on Art papers
High Gloss, with fast setting & drying
Excellent Gloss, Good RR & Low dot gain for High quality printing

Versatile Range offering Gloss & Rub Resistance

ECOPURE SOY HP- MX
ECOPURE SOY HP- XACT
ECOPURE SOY HP- ACE

Versatile ink delivering High strength & Good Gloss, for high productivity.
Highly versatile ink & can be used on all substrates like Art, Matte, Foam etc
Premium ink delivering Excellent Gloss & Excellent Rub Resistance

Special Applications

ECOPURE SOY HP- LT
ECOPURE SOY HP- INSTA
ECOPURE SOY HP- LIGHTFAST

Low Tack Process Set
High strength, Very fast setting & Instant Drying ink for printing on LDPE Foam.
BWS Rating of 6+ (Extra Light Fast (ELF) Yellow & Magenta also available)

B) Special Blacks

Ecopure Soy HP Pooja Black
Ecopure Soy HP Mini Black
Ecopure Soy HP Bible Black
Ecopure Soy HP Dense Black
Ecopure Soy HP Baby Black

Designed for book printing
Economical black for single & double colour machine
Designed for printing on very low GSM paper.
High density black ink
Designed for Baby offset printing machine

C) Spot Colours

Ecopure I – Soy HP Fiery Orange
Ecopure I – Soy HP Brilliant Red
Ecopure I – Soy HP India Red
Ecopure I – Soy HP Pea Green
Ecopure I – Soy HP Reflex Blue
Ecopure I – Soy HP Brilliant Violet
Ecopure I – Soy HP Tinting White

Ecopure I – Soy HP Brilliant Orange
Ecopure I – Soy HP Gloria Red
Ecopure I – Soy HP Vivid Green
Ecopure I – Soy HP Royal Blue
Ecopure I – Soy HP Permanent Violet
Ecopure I – Soy HP Copper Brown
Ecopure I – Soy HP Tinting Medium

D) Pantone Basic Colours (* Pantone is registered trademark of Pantone Inc.-USA)

Ecopure I – Pantone Yellow
Ecopure I – Pantone Orange 021C
Ecopure I – Pantone Red 032C
Ecopure I – Pantone Rhodamine Red
Ecopure I – Pantone Violet
Ecopure I – Pantone Reflex Blue
Ecopure I – Pantone Green

Ecopure I – Pantone Yellow 012C
Ecopure I – Pantone Warm Red
Ecopure I – Pantone Rubine Red
Ecopure I – Pantone Purple
Ecopure I – Pantone Blue 072C
Ecopure I – Pantone Process Blue
Ecopure I – Pantone Black

E) Ink Matching Blending Base Colours

Yellow 511 Y
Warm Red 531
Blue 541
